MAIN REFEREE HANDBOOK
FOR BADMINTON EVENTS

During the tournament (main referee responsibility):

To avoid any hectic during the event but to guarantee a smooth run of the actual tournament itself it is necessary to standardise the communication times. Hence; all parties involved know when to expect the next information:

- final confirmation of first round fixtures and court assignments at 15:00 local time a day before event start
- final confirmation of next round fixtures and court assignments at least 3 hours before game start
- final confirmation for next day games minimum at 21:00 local time
- any kind of changes should be avoided or communicated straight away
